INCREASE

For Akron's Colony at Columbus.

Judge Kohler Added Three More Tuesday.

One of Them Is a Young Woman.

Another Suit Started Against City of Akron.

Judge Kohler on Tuesday morning sentenced all the persons who pleaded guilty as indicted by the Grand Jury. Melford McMillen and Alice Landis, indicted for forgery, were each sentenced to the penitentiary, the former, two years and the latter for one year. They were accused of forging the signature of Sherbondy Hill, a resident of Sherbondy Hill, to a bank book, and thereby drawing \$130. Both are young.

"He is the meanest man I've ever had in jail," remarked Sheriff Kelly when given opportunity to speak about the conduct of Dan Myers, indicted for throwing stones at a C. A. & C. train. "He was causing trouble all the time, and wouldn't do what I told him." The prisoner was fined \$50 and costs and sentenced 30 days to the workhouse.

Thomas Hogan, indicted for burglary—breaking into a house at Barborton and stealing \$40 worth of goods—was fined the costs in the case and sentenced two years to the penitentiary.

From what Prosecutor Wanamaker said it was concluded that J. R. Ault, a young man, was inclined to be tricky. To check his waywardness he was fined \$20 and costs and sentenced 30 days to the workhouse. It was stated that he had stolen \$8 from the C. A. & C. depot at Barborton, while the agent was away on an errand, trumped up by Ault, the latter having informed the agent that he was wanted when he was not.

Peter and Patrick Burke, indicted on charge of assaulting Officer Colton at Barborton with intent to kill, waited the indictment and entered a plea of not guilty.

CITY OF AKRON SUE.
John B. Clor, who conducts a saloon at the corner of Fountain and Exchange sts, has started suit to collect \$1,000 damages from the City of Akron. He claims that the city knowingly allowed a sewer draining his cellar to become clogged and remain so, causing water and filth to be backed into his cellar, damaging stock and causing the sanitary condition of the house to become dangerous, making it necessary to close the place for several days. He states that he once had a private sewer which worked well, but that he was ordered by the city to discontinue its use.

HAVE PAID.

Steel Trust Responded to the Call.

F. S. Monnett's Demands on Laylin Did This.

Columbus, O., Oct. 22.—The American Sheet Steel Co., and the American Tin Plate Co., both responded to the call made upon them by Secretary of State Laylin and paid up the fees due the state for their admission to the state as foreign corporations and the granting permission to do business here. The Sheet Steel company paid \$3,118 and the Tin Plate company \$2,200.

This makes a total of \$20,094 received from the six foreign steel companies doing business in the state, and all are now reported. They all waived the right given them in their charters to buy and own the stock of other companies, this being repugnant to the laws of Ohio. They are all constituent companies of the United States Steel corporation, but the trust, says Mr. Laylin, is not amenable to Ohio laws.

The attorney for the United States Steel corporation stated, in his letter accompanying the remittances, that the Federal Steel Co. is not doing business in Ohio. Regarding the United States Steel corporation, the attorney claims that it is not doing business in Ohio or elsewhere; that it is simply a stock owning company, purchasing stock in active companies the same as any individual would, and therefore, is subject to no other regulations, than those applied to the individual.

"I had long suffered from indigestion," writes G. A. LeDes, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who has suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure, indigestion had made him a total wreck. William Warner, Gem Pharmacy, 113 S. Howard st.

Dr. Camel's Congo Compound Guaranteed to Cure Headaches.

Sick headaches! Always trace them to a lazy liver or a sick stomach. Poisonous matter instead of being thrown out is reabsorbed into the blood when this poison reaches the delicate brain tissue it causes congestion and that dull, awful throbbing, sickening pain. Dr. Camel's Congo Compound removes the cause by stimulating the liver, making the poison move on and out, and purifying the blood. The effect is almost instantaneous. Ladies whose sensitive organism is especially prone to sick headaches do not suffer but find relief in Dr. Camel's Congo Compound, 60 days treatment, 50 cents; at all druggists, or

THE WAY

To Reduce Expenses Is to Reduce Them.

Here's a Remedy For Akron Police Force Expenses.

They have a way of doing things in Toledo when it is necessary to reduce expenses. The Toledo Blade says: "At a special meeting of the fire commissioners last night action was taken which will result in the closing of four of the fire stations and the dismissal of twenty of the regular members of the force."

"This action was made necessary in order to keep the expenses of the department within the appropriation. It will result in the saving of about \$1,800 per month, the salaries of the men alone amounting to \$1,833.20. In addition to this there will be a large saving in other ways."

What if the Akron City Commissioners should apply the Toledo plan to the police force of this city, the cost of which, as everyone knows, was exceeding the income of the department even before the appointment of 20 additional officers by Judge Anderson last winter?

RUMMAGE IS NOT SO PLENTIFUL.

Many Attics Were Cleared Out Last Year.

"We shall do very well, but do not expect so great a success as we had last year," said Rev. Geo. F. Atwater at the rummage sale which St. Mary's Guild of the Church of Our Saviour is conducting in the Walsh block. The sale last year cleared up the collections of years in many attics.

It Was Children's Day

At our store last Saturday. The largest sale of Children's Suits and Overcoats we have ever had in one day. We attribute our success in this department to two causes. First—The unvarying courtesy extended to all by Mr. Northrup and Miss Stump of that department and second—People are awaking to the fact that there is a difference in the hang and fit of Children's clothing just as in men's; and appreciate well made clothing for children especially when the price is no higher, and the price can be no higher because

and there is not so great or valuable a variety of articles offered for sale this fall. But there is almost anything from a cook stove to a silk hat to be had, and many of the articles are "at your own price."

STILL MAD

About Booker Washington Incident.

Southerners Will Reward Man Who Sided Against Roosevelt.

Memphis, Tenn., Oct. 22.—(Spl)—Feeling continues to run high in this city over the Roosevelt-Washington incident. Three fights have been reported already, and a fourth was prevented by the age of the man defending Roosevelt.

The first participant, John H. Crain, of Dyersburg, Tenn., is to be presented with a gold headed cane for his promptness in resenting the remark that "Booker Washington is as good as his Southern critics."

Backache should never be neglected. It means kidney disorder which, if allowed to run too long, may result in Bright's disease, diabetes or other serious and often fatal complaints. Foley's Kidney Cure makes the kidneys well.

MORE GUIDES

Have Been Killed by Hunters.

In Only One Case Did Prosecution Result.

Bangor, Me., Oct. 22.—(Spl)—Only one prosecution has resulted from the slaughter of men as a result of careless handling of firearms by hunters in the Maine woods, although, during the last nineteen days five men have been killed and three wounded.

Most of the victims were mistaken for bear or deer by those before whose guns they fell.

An act was passed by the Legislature at its last session providing a fine of \$1,000 and imprisonment for ten years for the killing or injury of other persons through carelessness in discharging firearms.

DeWitt's Little Early Risers never disappoint. They are safe, prompt, gentle, effective in removing all impurities from the liver and bowels. Small and easy to take. Never gripe or distress.

Kodol Dyspepsia Cure

Digests what you Eat
You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, Kodol Dyspepsia Cure will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes:—"I have been afflicted for a number of years with dyspepsia and have tried various remedies without good results but was cured by one bottle of Kodol Dyspepsia Cure. I cannot say too much in its favor."

It can't help but do you good
